PRINCIPAL ACTIVITY : **Operating machine, welding, forging, carting shop contractor, soliciting firms, design and fabrication and manufacturing machineries and parts**

PRODUCT LINE : **Semi-conductor tooling, Die making and Fabrication**

PRESIDENT : **Mr. Tom Kenneth Miranda**

LIST OF MACHINERIES

LIST OF MACHINERIES AND EQUIPMENT

- | | | |
|-----|----------------|---|
| 1. | One (1) unit | EDM – Creator (CJ 530) |
| 2. | One (1) unit | Vertical Milling Machine (B3est 2S) with Digital Read-out |
| 3. | Two (2) units | Vertical Milling Machine (Best) with Digital Read-out |
| 4. | Two (2) units | Universal Milling Machine (Nantong)
with Digital Read-out |
| 5. | One (1) unit | Lathe Machine (Shun shin) |
| 6. | One (1) unit | Lathe Machine (Shye Sheng) |
| 7. | Two (2) units | Precision Surface Grinder (CIM) with Digital Read-out |
| 8. | One (1) unit | Optic Grinder (SEEDTEC) |
| 9. | One (1) unit | Precision Vice / Tool Maker Vice |
| 10. | One (1) unit | Air Compressor – ¼ H.P. |
| 11. | One (1) unit | Portable Disc Grinder (Makita) |
| 12. | One (1) unit | Tig Weld Machine |
| 13. | One (1) unit | Height Gauge |
| 14. | One (1) unit | Horizontal Rotary Table HV-12 |
| 15. | Five (5) units | Vernier Caliper |
| 16. | Two (2) units | Vernier Caliper with Digital Read-out |
| 17. | One (1) unit | Micro Flat 24 x 36 |
| 18. | One (1) unit | Micro Flat 12 x 18 |
| 19. | One (1) unit | Height Master |
| 20. | Two (2) units | Punch Former (Michilin) |
| 21. | One (1) unit | Pantograph |
